
Assassins Creed II.Install Assassin's Creed 2 Sound Data

I know nothing about sound and i have no experence with game developers, but i was wondering, why the game developers uses sound data file as a data source? Does this makes the game codes more specific and efficient? Sep 26, 2020 The PC version of Assassin's Creed II contains two copies of the game's data: a version with content for the "English" locale and one with content for the "Italian" locale (as shipped) preinstalled on the hard disk.[4] May 21, 2020 SoundData/pc/sounds_sfx_english.pck, pck, 244.49 MiB. Support, Folder. Support/Manual, Folder. Support/Manual/AssassinsCreed.pdf, pdf, 2.06 MiB.
